

MADE IN AMERICA

Leading the Industry in High Quality  
Surfboard Foam Manufacturing

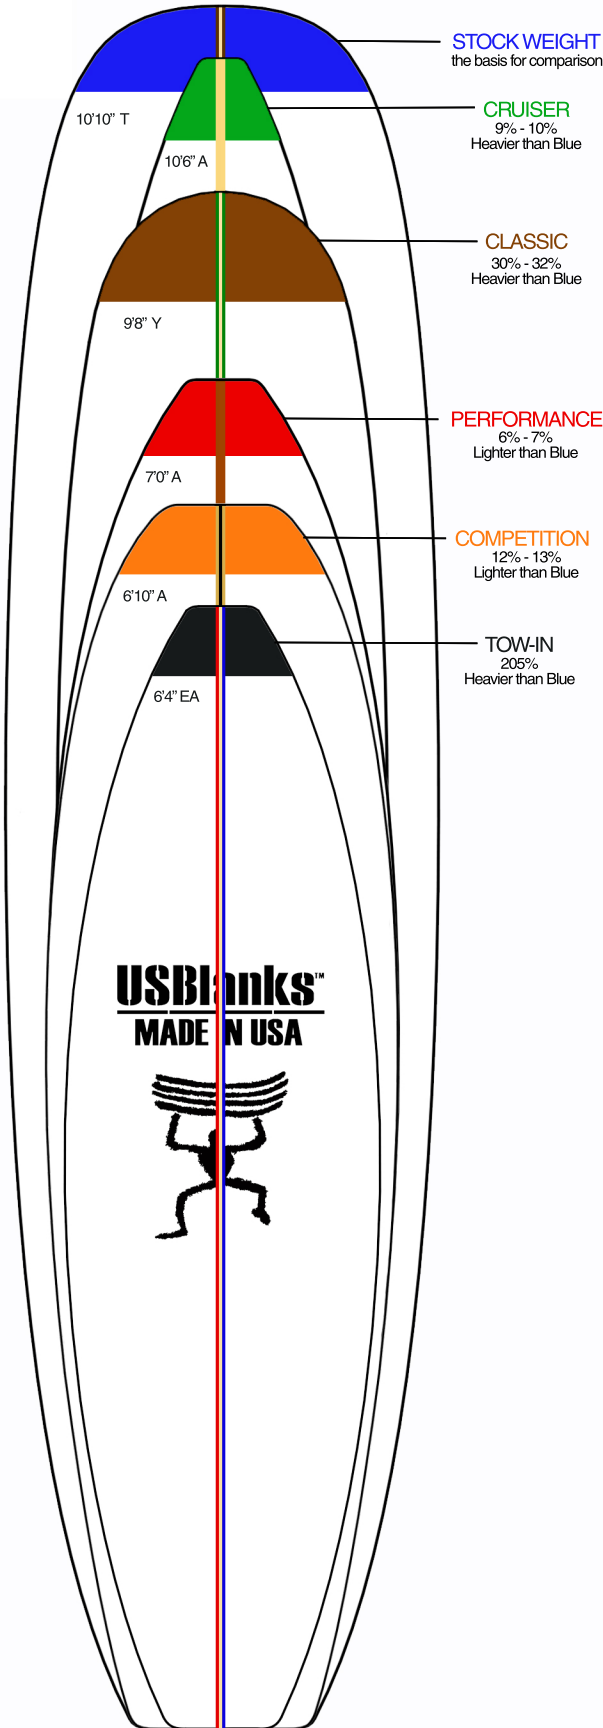

**BLANKS:** Select from 94 blanks, ranging from Shortboards to Guns. We have your precise fit, in Polyurethane, Block-Cut EPS, or Superfused EPS.

**DENSITY:** Density is indicated by the color on the nose. Select from 6 Polyurethane densities or 2 EPS densities.

**STRINGERS:** Select your thickness, combination, color and cut from our 30+ wood- types and stringer materials. Multi's, T-bands, Off-Cuts, Flares, and Wedge Cuts are all part of our in-house mill's capabilities.

**ROCKER:** All blanks are designed with Natural Rocker optimized for the widest range of design needs. Custom adjustments are also available.

**COLORS:** Colored foam is available for full blanks, wedge cuts, stringer inserts, or nearly any conceivable cut. Colored glue is also available for added customization.
